

Here at Rumble Arts Center, we believe art and culture should be accessible to all. This is why we are dedicated to offering ongoing, sliding scale classes for all ages groups. **Come when you like, pay when you can!** We suggest a \$5-10 donation per class, which supports the Center and our instructors. To register, please show up 10 minutes early on your first day of class and we'll sign you up on the spot!

In addition to our all-star weekly programming, we offer specialty workshops, one-on-one lessons, and healing sessions with qualified health professionals. Follow us on the web or in person to find out what new activities we're offering!
